## From the Principal

### Graduation Wishes

On Friday evening of this week, the College will conduct its annual Graduation Mass and Ceremony. This is obviously a very important occasion for each of our Year 12 students and their families and is a celebration of the many achievements for which the Class of 2013 may be justifiably proud.

While many of our graduands will be preoccupied with immediate concerns such as passing exams, gaining tertiary entrance or obtaining employment, it is also a time for each of them to reflect upon what they have learned throughout their adolescence and to commit to a course of action for the future. At CBC Fremantle we aim to support parents

in developing young men who have an active faith and are agents of change in creating a more just society. If these students have been receptive to the messages implicit in their schooling, then they will recognise this imperative and be prepared to live and act accordingly.

In terms of material wealth and length of formal education, at 17 these young men are already in the top 10% of people in the world. This is an incredible statistic and highlights the degree of inequity that their time at CBC calls them to challenge. The sense of belonging and identity that they have each enjoyed at our College is denied to so many people around the world. The extent to which our graduates are willing to represent the interests of

the disadvantaged and marginalised in our community will be one of the most significant measures of our success as a College and their quality as Christian young men.

I would like to thank and congratulate all of the Class of 2013 for their outstanding contribution to CBC and for the positive chapter they have written in the long and proud history of this school. I sincerely hope that we have achieved one of our objectives as a College, which is to assist families with instilling positive values in their sons. If so, we may all eagerly anticipate the contributions to society which will be made by the young men we will farewell as the 2013 graduates of CBC Fremantle at the end of this week.

“I would like to thank and congratulate all of the Class of 2013 for their outstanding contribution to CBC and for the positive chapter they have written in the long and proud history of this school.”

### Awards Night

Another important celebration for our community is the College Awards Night to be conducted at 5.30pm this Sunday in the Bob Rosé Meyer Gymnasium. CBC is blessed by the calibre of its students and it is important that we have a culture of celebrating success. Congratulations to all of the boys who have worked diligently throughout the year and embraced the challenges offered at the school.

Award winners have been notified but all families are warmly invited to attend.

## A feast of all things Italian

In the recent school holidays, 32 Year 10 and 11 Italian and Visual Art students accompanied by three staff flew across the world for an 18 day journey of culture, language, history, art and architecture that beautiful Italy has to offer.

The tour provided every boy with an incredible opportunity to appreciate all things Italian. The Italian students embraced the linguistic experience by practising their Italian at every opportunity while the Art students took advantage to sketch, paint and photograph the awe-inspiring scenery of Bella Italia. In Florence the boys were immersed in language and art as they

attended a Language and Art school for three days.

Highlights for students included St Peter's Basilica, the artists bazaar of Piazza Navona, playing soccer against a young Roman Soccer Club team, the sturdy chairlift in majestic Anacapri, cooking school in Orvieto, climbing the 294 steps to reach the top of the Leaning Tower of Pisa, visiting the Ferrari Museum, experiencing the Ducati and Lamborghini factories, Botticelli's collection at the Uffizi in Florence, being captivated by Da Vinci's 'Last Supper', the Venice Ghost Tour, Peggy Guggenheim Museum and basking in a Gondola ride along the canals of Venice.

Italy would also not have been complete without a shopping opportunity or two, eating too many Baci chocolates at the Perugina Chocolate Factory, nutella crepes and several gelato scoops!

The students and staff had an extraordinary experience so a big thank you must go to Trekset Tours. We were able to complete our dream itinerary due to their amazing level of planning and organisation.

## CBC Music Parents Group

### Help Required

Our final meeting for 2013 and AGM is scheduled for 7.30pm on Wednesday 13 November in the CBC Arts Learning Area (ALA).

The Music Parents Group is a small, but friendly and enthusiastic group of volunteers, who assist in the running of various music events at CBC. We also aim to reduce costs associated with our boys participating in events, camps and tours.

As a number of the parents involved have boys who are currently completing

Year 12, the Group requires some new volunteers to keep the MPG running in 2014.

If you are a music parent or just interested in assisting, you would be very welcome to attend our next meeting. It's a great way to meet other parents and you can do as much or as little as you are able.

Please join us for wine and nibbles afterwards.

Contact Pam Formby ([pam.formby@nd.edu.au](mailto:pam.formby@nd.edu.au) or 0405633243) if you have any queries.

Committee members please note – our final meeting will commence at 7pm, followed by the AGM at 7.30pm. Please bring a small plate to share.
