## From the Principal

### Celebrating Achievement

On Wednesday morning of this week the College conducted an assembly to recognise the outstanding academic achievement of many of our students during the first semester. Certificates of Excellence were presented to a number of boys from each Year level in recognition of their diligence and aptitude. Many of the parents and family members of our award winners were present, and it is always pleasing to have all sectors of our community represented at the one event.

In my address to the boys, I spoke about the importance of hard work in the process of developing our gifts into talents. It is not appropriate for anyone to take credit for their natural ability, as this is simply a result of God's largesse. It is when we seek to maximise

this ability through factors such as consistent application, making discerning judgements and cooperating with others, that a person may achieve a sense of pride. These are traits that characterise the individual and are 'under our control'. It is in this regard that improvement and achievement are equally accessible to all.

There were two particular students recognised individually for further achievement at our assembly. The first was Ben Anandappa (Year 12) who was presented with a bronze medal which he had gained at the International Chemistry Olympiad in Moscow last month. This recognition of Ben's ability, amongst the best Chemistry students in the world, is a remarkable accolade. The second presentation was made to Nicholas Funga (Year 9) to acknowledge his selection in the ACC All Stars Cross Country team.

This is also a marvellous achievement and worthy recognition of Nick's talent and hard work.

As part of the assembly I challenged all of the boys to consider for what reason each of them would be recognised at one of our gatherings in the future. They each have gifts and talents and we look forward to celebrating them over the course of this semester and in the years to come.

### Performing Arts Festival

On Wednesday evening of this week, a large number of our students took part in the Catholic Schools' Performing Arts Festival as members of our Big Band or Jazz Orchestra. It is always pleasing to see the dedication and development of these young musicians and their performances were suitably acclaimed by the adjudicator on the night.

Earlier this week we were also advised that the Guitar Ensembles 1 and 2 had

received an Honourable Mention and Certificate of Merit respectively as part of the Festival. Congratulations to the students involved in these groups.

Promoting the Arts is an important function of all schools and is particularly critical in a boys' College such as CBC. I know that our music parents appreciate the selfless work undertaken in this regard by Mr Shane Mancuso and all of the other staff in the Arts Learning Area. There are many opportunities made available to the boys in the areas of Music, Art and Drama and I commend those students who involve themselves so enthusiastically in these activities.

## The Rite Journey boys cook up a family dinner

Term 2 Rite Journey learning was put to the test during the July holidays when Matt Moreno and Nic Funga (both in Year 9) joined forces to put on a three course meal at the Moreno's house.

Parents and siblings sat down to a dinner for nine, and what a culinary delight it was.

The afternoon started when Gabe (Matt's dad) escorted the boys to Garden City to shop for all the ingredients, followed by frantic preparation amid lots of joviality.

At the perfectly set dinner table each adult was greeted with a printed menu.

Starting with a range of cheeses and dips, together with a very tasty grilled

chorizo sausage on crispy Turkish bread, we tucked in while the boys were at the coal-face putting the finishing touches to the main course.

And what a main course it was – spaghetti marinara and seafood fried rice accompanied with a green salad. A select wine was the great finishing touch for the parents' taste buds.

Well pleased with the effort thus far, we were treated to watching Matt and Nic dress the most magnificent Pavlova with fresh fruit and non-alcoholic jelly shots.

What a sensational effort from both boys. After a second helping even siblings were begging for more, but there was not a scrap left.

The parents enjoyed coffee to finish up while taking great pleasure in watching the two lads load the dishwasher and wipe down the kitchen amid much complaining. This was clearly not the most fun part of the evening for them.

Sadly, the evening was all over far too quickly. The best thing is, we know Matt & Nic certainly enjoyed this task. Now we know how capable they are, they will not be getting away so easy in the future.

Great job boys and a huge thank you to Mr Adrian Correia for preparing them so well – gentlemen in the making...

Mr Phil Funga  
CBC Parent

## Preparing for the Italy tour

With less than seven weeks until we depart on the Italian and Visual Art Italy Tour, the boys are abuzz with excitement!

From the beginning of this term, a number of tour boys have been involved in after school activities aimed at enhancing their experiences while we are away in bella Italia. Ms Calanni has been running afterschool Language classes on Thursdays. This week's focus was ordering food! Wednesday's are a combination of Soccer training, in preparation for our match against a Roman team, and 'Fun Facts' about Italy.

This week the boys and I studied the map of Rome and discovered the iconic works of Michelangelo and Bernini.

Afterschool activities will continue throughout the term and we would like to thank the boys for their involvement.

Ms Zoe Francis  
Art Teacher

## Great start for Junior Soccer

The CBC Junior Soccer team started the knockout phase of the Champion Schools Soccer Competition with an emphatic 4-0 win against Bunbury Cathedral Grammar School this week.

CBC was the well-deserved winner of the first stage, topping the group after winning all its five matches last term.

Our three talented Year 7 boys, Edward Pezet, Oakley Monument and Tiago De Souza, delighted everyone with scintillating, daring attacks. They proved what an asset they will be in years to

come. Ryan Pratt stood out with his deft passes and composure in front of goals. Solid and consistent performances from Jason and Ryan De Gennaro, Matthew and Marcus Demiroski, Jayden Goncalves, Adrian Ciampini, Julian Nardi and Ben Radonich in goals ensured that the team played cohesively, both in attack and defence.

I must also acknowledge the enthusiasm of two boys, Joshua Mascarenhas and Gabriel Leone, who were willing to play in any position and regularly helped out after each game.

It was an honour to coach such a wealth of talent, and I am confident that this team will continue to trouble the opposition in future games. Great work boys!

Mr John Hortense

## Year 7 Dockers Shield

The year started with a handful of keen and eager Year 7 boys asking about the school football team. In the closing weeks of Term 2 the try-outs began, with more than 70 boys vying for 25 positions. After a few weeks of trials, and having to give some talented boys some bad news, the team was selected and began to prepare for a day full of football against other schools in the South Metro League.

On Wednesday 7 August, the energetic Year 7s headed to a wet and blustery Ferndale Park to test the South Metro talent pool. The first game of the day

was against a tall Tranby College side. The game started slowly as the boys were finding their feet and getting used to playing together. After the first few minutes it was one-way traffic, with CBC notching up a convincing first win.

The boys were excited about their victory and warming up for the next game with new energy. Things soon changed when our second game started against Serpentine Jarrahdale. Our opposition was ready to go from the first bounce, quickly scoring the first couple of goals. The boys soon realised that they had

to play a smarter and harder brand of football. Our backline tightened up and the midfield ran harder and helped their defenders, which resulted in a very even contest up until half time. Many of the boys found themselves in a different role for the second half and CBC were able to have their second and hardest win for the day.

Just as game three was about to get

## Host families needed in January 2014

Student Exchange Australia New Zealand, a not-for-profit organisation registered with all state and territory departments of education, is pleased to extend an invitation for CBC Fremantle students and their families to attend our next live online information session on Thursday 15 August.

We are also running specific country online information sessions on Wednesday 21 August for those students who may be interested in visiting France, Latin America or Spain. Details as follows:

- **France** 6.15pm (EST) / 5.45pm (CST) / 4.15pm (WST)
- **Latin America** 5.30pm (EST) / 5.00pm (CST) / 3.30pm (WST)
- **Spain** 7.00pm (EST) / 6.30pm (CST) / 5.00pm (WST)

The live online session gives students and families the opportunity to learn more about becoming an exchange student and the various scholarship options that are available.

In January 2014 Student Exchange Australia New Zealand Ltd will be receiving exchange students from Europe, Canada, the USA and Latin America. Our new arrivals will live with a host family and attend a local school for two to 10 months. We are keen to hear from suitable families who might be interested to host a student. It's a great way for them to learn about a new country and share an unforgettable experience with the entire family!

Please note that all our host families are interviewed in their homes and carefully checked for suitability. Profiles of students arriving are currently available on our [website](#).

If you have any questions about hosting an exchange student, or would like to view profiles of students arriving from other countries, you can either respond to this email or call our office on 1300 135 331. No obligation.
