## From the Principal

### Recapturing the joy of Christmas

It sometimes seems to me that one of the groups in our society with the fastest growing membership is 'Christmas cynics'. One article that recently came to my attention warned that this time of year "can leave you feeling overwhelmed, stressed, anxious, sad and frustrated." Another publication described the upcoming season as one which is characterised by the need for great endurance. If indeed the need for stamina is an essential requirement for you to survive Christmas, it is likely that this circumstance is self-inflicted and that the real potential of this time has not been realised.

There is little doubt that many commercial pressures exist which are designed to keep our focus at this time of year firmly upon lavish gifts, parties and feasting. Notwithstanding the unsolicited offerings of the Magi, this is in stark contrast to the first Christmas day. Mary and Joseph were humble travellers and their son was born into the most modest of surroundings. This is the way that God chose to reveal his desire for a relationship with each of us. The lack of status or majesty associated with the manger is a clear illustration that He wants to be with us as we are.

This should be a source of great joy for all Christians. We come to understand that we are capable of overcoming any obstacle because God knows and loves us personally. We are then challenged to look beyond our own concerns to the needs of others and how we may best serve them. This perspective requires us to look outside of our own trials and urges us to prioritise others, thereby excluding any possibility of cynicism.

Irish Bishop Liam McDaid expressed a similar sentiment in his Christmas Message when he said:

*Leave aside the cards, the presents and the extras for a few days and instead talk and listen to the one whose birth we are planning to celebrate. He has things to say to us that could change our perspective and lessen our worries as we count our blessings. He could show us how celebrating the simpler, long-lasting and more precious gifts of life and living can make for a different but ultimately more satisfying experience of Christmas joy and togetherness.*

**“Leave aside the cards, the presents and the extras for a few days and instead talk and listen to the one whose birth we are planning to celebrate.”**

On behalf of all of the staff at CBC I would like to wish your family a happy and holy Christmas. I hope that you get the opportunity to spread the truth about Christmas – that it is a time of joy and an opportunity for reflection. We pray that the gentle humility with which Jesus came into the world will serve as an example and inspiration for all people. May His peace and love characterise your festive season.

### Staff News

At the end of each year it is fitting that we recognise those members of staff

who are either departing the College or commencing periods of leave. I would like to formally acknowledge each of the following people and thank them for their contributions during their time at CBC.

**Mr Sandro Sandri** is retiring after 22 years of outstanding service to the College. A special function was held at school this week where current and former staff joined family members to recall fond memories and offer an appropriate farewell. It has been said of Sandro that he has filled every position at the College at some time over those years – including

long service as the Deputy Principal and a shorter period as the Principal during 1992. Sandro has been a part of the fabric of the school and will be greatly missed.

**Mr Steve Coggin** has been Head of the Technology and Enterprise Learning Area since 2005. He leaves us to assume the role of Deputy Principal at Mercy College and we wish him well in this role. His new school is certain to benefit from his many gifts and talents.

**Mr Brendan McGrath** has been the Head of Sport at CBC since 2006 and has been successful in gaining a Head of House position at St Norbert College from next year. Brendan has overseen significant progress in the development of sport at CBC and I know the staff and students in this area have appreciated his skill and commitment.

**Mrs Josephine Andrew** will be retiring from her position as Assistant to the Business Manager. Jo has been a tireless worker and a great asset to the College. We wish her much happiness in her retirement.

**Mrs Fiona Williams** has completed her teaching contract at the school. In addition to her time in the classroom, Fiona spent a number of years serving the College as its Community Relations Officer. Her willingness, expertise and diligence have been appreciated by us all.

**Mr Damian Wallis** has been appointed as the Head of Religious Education at Mazenod College from 2014 and we wish him well in this new role. Damian has been a wonderful addition to our staff during this year and his leaving will be keenly felt by our community.

**Mrs Noeleen McDowell** will be on Long Service Leave during Term 1 and we wish her an enjoyable time with her family.

In the first newsletter of next year I will introduce the new staff who will commence working at our College in 2014.

Mr Shaun Kenny  
Principal

## Giving generously for Christmas

The festive season came early this year at CBC Fremantle, with staff, students and parents donating generously to the St Vincent de Paul Christmas Appeal.

The programme ran a little differently in 2013, with each Mentor Group in charge of organising their own hamper for a family in need. Students nominated to bring one or two food or household items which Vinnies' clients would be able to use over the holiday period, as well as bon bons, candy canes and other treats specifically for Christmas Day.

The overwhelming response was heart-warming to see, with nearly every Mentor group needing a second hamper because the first one was overflowing. Some

students and staff even took the time to purchase gifts for the children to open on Christmas morning.

In total, CBC donated 56 large Hampers to St Vincent de Paul, a fantastic outcome for a worthy cause. A particular thank you must go to the Year 10 students and Mentor Teachers who coordinated the donations and to all those who gave so generously.

Christian Service Learning Coordinator

## Outstanding Orators

This semester the Year 8 and 10 boys took part in the national public speaking examinations – Oracy.

The Year 10 boys filled their 15 minute presentation time by reciting a self-authored ode, delivering a talk on an issue of significance to them and reading a passage from a text of their choice. For the Year 8s the brief was to recite a self-authored monologue from the point of view of a significant historical figure, present a talk on a personal interest and finally a reading from a narrative linked to their topic.

Oracy has been a strong tradition in the College and our boys have consistently performed and conducted themselves

extremely well in the presentations.

In keeping with our fine reputation, I am delighted to acknowledge the following boys who received an Outstanding rating overall for their presentation:

### Year 8
