

CBC
FREMANTLE

Science Teacher (Two Days per Week)

CBC Fremantle is a Catholic school in the Edmund Rice tradition for boys in Years 7-12. Founded by the Christian Brothers in 1901, the College has served the local Fremantle community for over a century helping families to raise boys who continually strive for excellence and who exhibit Catholic Leadership in their quest to establish a more just and peaceful society.

The College seeks to assist in the spiritual, academic, cultural, physical and emotional development of boys while acknowledging the primary role of the family as educator. As such, the College encourages its students to rigorously pursue excellence in all dimensions of their lives and to become leaders within their community through the active expression of their faith.

The successful applicant will be expected to work cooperatively with all members of the teaching staff in the interests of the students. The ability to teach Year 11 Chemistry will be highly regarded.

The successful applicant will be responsible for a Mentor Group at the start of each day (consisting of ~24 students in Years 7 – 12). This duty has the pastoral and administrative responsibilities associated with being a significant adult to a group of boys.

Key Selection Criteria

The successful applicant will:

- give witness to their personal faith and commitment by integrating a Catholic vision in all areas of their responsibility
- possess or be willing to complete the requirements for *Accreditation to Teach in a Catholic School*
- be willing to become an active member of the CBC Fremantle community with a strong commitment to promoting and supporting the varied aspects of College life
- be a skilled teacher of Science
- have excellent interpersonal skills
- have well developed written and oral communication skills
- be able to work cooperatively as part of a team

Key Responsibilities

The successful applicant will:

- be prepared to work closely with the Principal and staff to ensure that CBC Fremantle authentically reflects the mission of a Catholic school in the Edmund Rice Tradition
- be able to demonstrate knowledge and expertise in the implementation of relevant curricula
- meet all requirements and deadlines pertaining to assessment and reporting
- attend meetings of the Science Learning Area staff
- promote a vibrant learning environment at the College by providing innovative approaches to student learning
- undertake any other duties as reasonably required by the Principal

Length of Appointment

This is a job sharing (two days per week), temporary position for 2018 only.

Application Process

Applicants should send:

- a covering letter outlining suitability for the position
- a recent CV, including the names and contact details of three referees
- academic transcripts
- any relevant accreditation certificates
- TRB Certification
- Working With Children Check
